Employment History

August – October 2026 | BOURBON OFFSHORE DNT

ROV Senior Pilot on board the Lorelay with SCHILLING HD 09 during Platform Decommissioning on Allseas project.

July 2026 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Bourbon Evolution 810 with SCHILLING UHD 37 and 57 during Vessel acceptance and sea trials on Reliance project.

May – June 2026 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Bourbon Evolution 810 with SCHILLING UHD 37 and 57 during FPSO Disconnection and Maintenance period on T7 Global Vestigo project.

January – March 2026 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Bourbon Evolution 810 with SCHILLING UHD 37 and 57 during System Mobilization, Umbilical change out, Maintenance period and Sea trials for Bourbon Vessel acceptance.

November – December 2025 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Trieste with SCHILLING UHD 25 during Maintenance period.

August - October 2025 | BOURBON OFFSHORE DNT

ROV Superintendent on board the NG Worker with SCHILLING HD 28 during Classified operations, UXO and Geophysical Survey on Next Geosolutions project.

July 2025 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Geophysical Survey and Boulders removal on Next Geosolutions project.

May 2025 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Mattress Installation on Next Geosolutions project.

April 2025 | BOURBON OFFSHORE DNT

ROV Superintendent on board the NG Worker with SCHILLING HD 28 during Maintenance Period and Project preparation for Next Geosolutions project.

March 2025 | BOURBON OFFSHORE DNT

ROV Supervisor at Ravenna Warehouse with SCHILLING HD 09 during System Maintenance.

February 2025 | BOURBON OFFSHORE DNT

ROV Superintendent on board the Ievoli Amber with SCHILLING HD 98 during System Mobilization.

January 2025 | BOURBON OFFSHORE DNT

ROV Superintendent on board the Ievoli Cobalt with SCHILLING HD 23 during LARS Change Out and System maintenance.

October - November 2024 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Ievoli Cobalt with SCHILLING HD 23 during Geotechnical and Geophysical Survey on Next Geosolutions project.

September 2024 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Ievoli Cobalt with SCHILLING HD 23 during Survey Operations on Next Geosolutions project.

August - September 2024 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Horizon Arctic with SCHILLING HD 72 during Mooring Chains Replacement on Horizon Maritime project.

July - August 2024 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Geophysical Survey on Next Geosolutions project.

April - May 2024 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Horizon Arctic with SCHILLING HD 72 during Mooring Chains Replacement on Horizon Maritime project.

March - April 2024 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Ievoli Cobalt with SCHILLING HD 23 during Pipelines Survey on Next Geosolutions project.

February 2024 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Vessel Dry Dock / Full system maintenance.

January 2024 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Ievoli Ivory with SCHILLING HD 01 during System Audit on Next Geosolutions project.

October - December 2023 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Ievoli Cobalt with SCHILLING HD 23 during System Mobilization and Geophysical Survey on Next Geosolutions project.

September 2023 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Horizon Arctic with SCHILLING HD 72 during Anchors/Chains Installation and Survey on Horizon Maritime and Exxon Mobil projects.

July 2023 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Horizon Arctic with SCHILLING HD 72 during Anchors/Chains Installation and Survey on Horizon Maritime and Exxon Mobil projects.

May - June 2023 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Geophysical Survey and UXO Operations on Next Geosolutions project.

March - April 2023 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Geophysical Survey on Next Geosolutions project.

January - February 2023 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Geophysical Survey on Next Geosolutions project.

December 2022 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Geophysical Survey on Next Geosolutions project.

September - November 2022 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD 28 during Geophysical Survey on Next Geosolutions project.

July - August 2022 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Horizon Arctic with SCHILLING HD72 during Mooring Chains Installation and Pipeline Survey on Suncor and Emera projects.

March - April 2022 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD23 and 28 during Geophysical Survey on Next Geosolutions project.

November - December 2021 | BOURBON OFFSHORE DNT

ROV Supervisor on board the levoli Ivory with SCHILLING HD01 and 09 during pipelines inspection and Filter Units Installation on Next GeoSolutions project.

August - September 2021 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Surf Allamanda with SCHILLING HD68 during Wreck Survey by photogrammetry on WAVES project.

April - June 2021 | BOURBON OFFSHORE DNT

ROV Supervisor on board the NG Worker with SCHILLING HD23 and 28 during UXO operations and Mattresses Installation on SAIPEM project.

March 2021 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bourbon Evolution 806 with SCHILLING HD63 during Jumper decommissioning on Reliance project.

October - December 2020 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the levoli Ivory with SCHILLING HD01 during survey and Target identification on Next GeoSolutions project.

August 2020 | BOURBON OFFSHORE DNT

ROV Supervisor on board the Horizon Enabler with SCHILLING HD62 on classified project.

March - April 2020 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bourbon Evolution 802 with SCHILLING UHD57 during System mobilisation, on Total project.

December 2019 - January 2020 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bourbon Surf Allamanda with SCHILLING HD68 during IMR operations on ONGC/McDermott project.

November 2019 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the levoli Ivory with SCHILLING HD01 and 09 during Mattress Installation on Next GeoSolutions project.

September - October 2019 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bourbon Evolution 802 with SCHILLING UHD37 and 57 during IMR operations and Maintenance on CNR International project

June - August 2019 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bourbon Evolution 802 with SCHILLING UHD37 during IMR operations on CNR International project.

April - May 2019 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bourbon Helene with SCHILLING HD73 during IMR operations on Reliance project.

January - February 2019 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bourbon Evolution 802 with SCHILLING UHD37 during IMR operations on Total project.

September 2018 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bourbon Evolution 801 with SCHILLING HD68 during IMR operations on Total/Saipem project.

September 2018 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Helene with SCHILLING HD73 during SKOFLO and SCM Replacement, Flushing line on Reliance project.

June - July 2018 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Emerald with SCHILLING HD01 on Classified project.

February - April 2018 | BOURBON OFFSHORE DNT

ROV Senior Pilot / Technician on board the Bahtera Azalea with SCHILLING HD63 during Pipelines and Risers Inspections on Petronas contract.

December 2017 | BOURBON OFFSHORE DNT

Auditor on board the Bourbon Evolution 801, 802 and Peridot Financial Audit.

August - November 2017 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Peridot with SCHILLING UHD25 and HD 09 during Valves ops, Survey on ENI contract.

May - June 2017 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Emerald with SCHILLING HD01 on Classified project.

January - April 2017 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Evolution 807 with SCHILLING HD73 during Mudmat and Suction Pile Installation, TDM, Compatt recovery, Surveys on McDERMOTT contract.

September - October 2016 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Emerald with SCHILLING HD01 on Classified project

April - July 2016 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Evolution 803 with SCHILLING HD74 and HD62 during HFL and EFL Relocation, Risers Survey, Hydrotesting and Dewatering Operations on Tullow/Technip contract

September 2015 - March 2016 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Peridot with SCHILLING UHD25 and HD09 during Xtrees, Jumpers, Metrology, HFL and EFL Installation on CNR International contract

June 2015 - July 2015 | BOURBON OFFSHORE DNT

ROV Pilot / Technician on board the Bourbon Evolution 808 with SCHILLING HD63 during Power Cable Installation and Mattress Installation on Subtech/Mermaid/Qatar Petroleum contract

June 2013 - September 2014 | ALDA Marine

ROV Supervisor on board the C/V Ile d'Aix, C/V Ile de Brehat and C/V Ile de Batz with TRITON ST206, ROVjet 408 and 409 during Cable Maintenance operations and Wind farm Power Cable installation on the PRYSMIAN/GT1 Contract

January 2009 - May 2013 | ALDA Marine

ROV Pilot / Technician on board the C/S Lodbrog with ROVjet 401 and VideoRay Pro 4 during Cable Maintenance operations on the APMMS Agreement

May 2009 - December 2009 | ALDA Marine

ROV Trainee on board the C/S Lodbrog with ROVjet 401 and VideoRay Pro 4 during Cable Maintenance operations on the APMMS Agreement

September 2004 - April 2009 | Advanced Solution Management

Mechatronics Technician on various aspects of automated coating production equipment. Including the design, construction, installation and their commissioning in France, USA, Australia, Taiwan & South Korea.

Aug 2002 - August 2004 | Camom

Trained as Electronics Technician on a two years course comprising of alternate twelve months of practical training at CAMOM on Shell refinery site and Elf Atochem site and theoretical studies at Marie Madeleine FOURCADE (Lycée Technologique - académie d'Aix/Marseille, France).
